SECTION 554, TITLE 14, California Code of Regulations

554. COOPERATIVE DEER HUNTING AREAS.

To encourage the protection and enhancement of critical deer habitat, to provide added protection to landowners from depredations of trespassers and to provide greater access for the public to hunt on privately owned or controlled lands, the department may establish cooperative hunting areas and issue permits for the take of deer as specified subject to the following conditions:

(a) **Definition and Scope.** A cooperative deer hunting area is an area of private land located within critical deer habitat as determined by the department in deer quota zones (see Section 360) which require public drawings. The cooperative hunting area shall encompass not less than a total of 5,000 acres, except that such area may consist of neighboring lands not less than 640 acres in size under the control of one or more owners.

(b) **Application Process.** Application forms are available from the department's headquarters and regional offices. The applicant for a cooperative deer hunting area permit shall be an owner of said land. The completed application form and a completed one deer tag application for the appropriate deer zone shall be submitted to one of the following offices of the Department of Fish and Game:

Region 1, 601 Locust Street, Redding 96001 (530) 225-2300

Region 2, 1701 Nimbus Road, Rancho Cordova 95670 (916) 358-2900

Region 3, 7329 Silverado Trail, Box 47, Yountville 94599 (707) 944-5500

Region 4, 1234 East Shaw Avenue, Fresno 93710 (559) 243-4005

Region 6, 4775 Bird Farm Road, Chino Hills 91709 (909) 597-9823

The completed applications must be received prior to the first Friday in August. No individual may submit more than one cooperative deer hunting area application or deer tag application per deer season nor may there be more than two cooperative deer hunting area applicants for a given parcel of land. The department shall review the cooperative deer hunting application, verify the content thereof and certify that the lands consist of critical deer habitat prior to the issuance of a cooperative deer hunting area permit and deer tag.

Only those applications that are filled out completely will be accepted. Incomplete applications will be returned within 15 days of receipt by the department. There shall be no fee for a cooperative hunting area permit.

(c) A deer tag issued pursuant to the provisions of this section is valid only during the open deer season for the deer zone specified on the tag and may only be used on the lands specified in the landowner's application.

(d) All provisions of the Fish and Game Code relating to the take of birds and mammals shall be a condition of all permits and tags issued pursuant to this section.
