

**California Marine Life Protection Act (MLPA) Initiative**

**Primary Sources for Individual MPAs in the MLPA South Coast Integrated Preferred Alternative (IPA)**

The MLPA South Coast Integrated Preferred Alternative (IPA) integrates elements from all three MPA proposals developed by the MLPA South Coast Regional Stakeholder Group (SCSRG). This map depicts the primary source of the MPA design for each individual MPA included in the IPA. In some cases, multiple SCSRG proposals served as the source for an MPA design in the IPA. It should be noted that there may be some variation between the proposal (source) and the actual MPA included in the IPA.
