- Part 1: Tables 1 through 3 summarize regulations for existing MPAs and special closures, including allowed take and other restrictions. This updates Table 8.1-1 in the Draft Regional Profile of the South Coast Study Region (September 15, 2008).
- Part 2: Official regulations text excerpt from Section 632, Title 14, CCR provided for reference.
- Part 3: Maps of existing MPAs and special closures are provided.

Table 1. Existing state MPAs in the south coast study region (SCSR), see Table 3 for the Northern Channel Island MPAs. Further details on each MPA, including specific boundary locations, can be found in the regulations provided starting on page 13.
